Qualifications

B.A. (Hons) University of Kent.

Fellow of the Institute of Chartered Accountants in England & Wales.(ICAEW)

Member of the Chartered Institute of Arbitrators.

Member of the Academy of Experts.

Accredited Forensic Accountant - ICAEW

Relevant Experience

Forensic Accountant

Qualified as a Chartered Accountant with KPMG. In practice as partner in Elliott Bunker Chartered Accountants from 1987 to 2007. Resigned from general practice to concentrate on expert and dispute resolution work.

Wide experience of privately owned businesses, in valuing shares in those businesses. Particular expertise in partnership and shareholder disputes and the concerns of business valuation.

Expert in investigating disputes requiring forensic investigation of historic transactions.

Expert in determining disputes between public bodies and private contractors .

Experienced as an accountant in negotiating and acting in numerous financial settlements and business disposals.

Arbitrator, Member of Chartered Institute of Arbitrators

I have acted in over fifty arbitrations, both written and oral. I have a particular interest in business disputes between partner proprietors of a business, whether based as partnership or limited company, and commercial disputes between businesses.

Expert, Member of Academy of Experts

Frequently nominated to act as Single Joint Expert and Party Expert reporting on matters relating to business valuation, calculation of profits, business dissolution and insurance claims and appearing in Court to present my findings in matrimonial and other matters. I am experienced in matters relating to professional negligence within my own profession. I have acted in both Civil and Criminal proceedings.
