The Academy of Experts

The Academy

Located in Gray's Inn TAE was founded in 1987 with the objective of providing, for the first time, a professional body for experts to establish and promote high objective standards.

Although there is representation on the Academy's Council from the legal profession the majority of the officers, including the Chairman, are practising Experts - The Academy of Experts (TAE) is run by Experts for Experts and those using them.

Training and development

TAE offers a comprehensive range of training programmes to enable members to develop their expert skills, and undertake Continuous Professional Development activity. Courses range from basic Role and Responsibilities through to the requirements of Procedure Rules and the practice of Giving Evidence.

TAE is also a training and accreditation body for ADR Neutrals, including Mediators, Conciliators and Expert Determiners. It publishes and maintains The Register of Qualified Dispute Resolvers and awards the designatory letters QDR to those achieving the approved standard. Standards are enforced in exactly the same way as for experts.

Accreditation of experts

All applicants to TAE who wish to become Accredited Practising Expert Witnesses undergo a rigorous vetting procedure to ensure standards of excellence are maintained. This is the process which gives the officially recognised full accreditation as a Practising Expert. Those achieving it are awarded the designatory letters MAE. Ethical and professional standards are underlined by Codes of Practice and enforced by a disciplinary committee.

ADR

The promotion of Cost Efficient Dispute Resolution became increasingly important to TAE. It is now a major force in the introduction and development of Alternative Dispute Resolution (ADR) and has led to the development of the Faculty of Mediation and ADR.

Range of services

TAE provides a full range of services to its members including:

- Technical Helpline
- Bespoke Training
- Technical Meetings
